Helpful Hints

VERY IMPORTANT—GAUGE is the most important element in knitting and crocheting. If your gauge is correct, the finished garment will be the size indicated in the directions. If necessary, change to larger or smaller needles to maintain the correct stitch and row gauge. The important thing to remember is that the size of the needle does not matter as long as you maintain the stitch and row gauge quoted for the specific item you are making.

WASHING DIRECTIONS:

1. Wash in lukewarm water, never hot water, using a mild detergent.
2. Rinse thoroughly, removing all the detergent.
3. In last rinsing water use 2 tablespoons of vinegar to 2 or 3 gallons of water.
4. Remove excess water, placing Turkish towels above and below sweater, and between layers of front, back and sleeves. Roll and squeeze. Repeat if necessary.

NOTE: Never use an automatic dryer, except for Spinnerin Orlon Sayelle Express.

5. Never permit a sweater to lie around wet or even damp . . . quick-drying is important.
6. Place on dry Turkish towel to dry, blocking to proper size.

NOTE: Never dry in sun. NEVER PRESS

BLOCKING: For sweaters, especially for all textured yarns, use this method: Immerse 2 terry beach towels in warm water. Wring out towels. Place 1 towel on floor or blocking board. Place sweater or dress on towel. Pat to size. Cover sweater or dress with second towel. Steam top towel if desired. DO NOT PRESS.

How To Launder a Spinnerin "Orlon Sayelle" Garment Using a Washer-Dryer Combination:

Turn sweater inside out. Place in lingerie bag or pillow case. Set washer-dryer for 5 minute cycle or delicate fabric setting; high water level; medium to high drying temperature. Use any commercial detergent. Remove garment when it is completely dry. Dry at least 40 minutes.

How To Hand-Wash a Spinnerin "Orlon Sayelle" Garment:

1. Trace outline of garment on heavy paper and cut out.
2. Hand-wash in lukewarm water, using a light-hand scrubbing and any commercial detergent. Rinse in cold water.
3. "Squeeze". Do not wring.
4. Rinse again, using a softener.
5. Using terry towels, remove excess water. Repeat.
6. Slightly "bunch" garment on flat surface, not terry towels. Check size with paper cut-out. Let dry thoroughly.

FOR JACKET: Omit border. Make necessary changes for your desired jacket length. If your bust measurement is less than 32 inches, using the same number of stitches specified form buttonholes in Right Front ..... if 32 inches or larger add 6 sts to Right Front as a replacement for the Border and form buttonholes. Knit borders for sleeves if desired.
